

Wen'an Xinyao Wood Industry Co., Ltd.

Factory information for international buyers evaluating thin MDF supply from China.

ESTABLISHED	2008
LOCATION	Wen'an County, Hebei Province, China
PRODUCT FOCUS	Thin MDF Board 0.8 mm-6 mm

Company Introduction

- Xinyao Wood manufactures thin MDF boards for furniture components, decorative processing and industrial applications.
- Product specifications and order requirements are confirmed directly with international buyers before production.

Controlled MDF Production

Production capability and inspection procedures support repeated orders with confirmed specifications.

Manufacturing Capability

- MDF production capability focused on thin board manufacturing.
- Continuous pressing production line.
- Stable production management for confirmed order specifications.
- Quality inspection system covering production and finished boards.

PRODUCTION FOCUS	Thin MDF Board
MANUFACTURING METHOD	Continuous pressing production line
INSPECTION STAGE	Production monitoring and finished-board inspection

Thin MDF Product Range

Standard product references for specification review. Order-specific requirements must be confirmed before production.

THICKNESS	0.8 mm-6 mm
BOARD SIZE	1220 x 2440 mm 1240 x 2460 mm
DENSITY	680-1000 kg/m ³
SURFACE	Smooth sanding surface suitable for further processing

Specification Review

- Thickness, size, density, surface, quantity and application should be provided with each inquiry.
- Flexible specification options can be discussed according to application requirements.

Manufacturing Applications

Representative end-use categories for thin MDF. Application suitability should be reviewed against each buyer's processing requirements.

Application Categories

- Furniture components.
- Cabinet parts.
- Lamination materials.
- Decorative panels.
- Industrial applications.

Prepared for International Shipment

Export handling is coordinated according to the confirmed order, packing method and shipment plan.

Export Support

- Protective export packaging.
- Container loading preparation.
- Shipment coordination through Tianjin Port, China.

EXPORT PORT	Tianjin Port, China
PACKING	Confirmed according to order and shipment requirements
